INSTRUCTIONS

Welcome to our Distance Learning Classroom!

This is the last week of Distance Learning. It is my hope that you continue to work on Moby Max math all summer long. For Week 5, I am sending you a survey to take. The link will be sent to you via email on 5-15-2020. Please check your email that day and complete the survey by 5-22-20 -- if you choose to take the survey. If you do not have access to your student email but can access padlet on your phone, check padlet for the link while the survey is open. Feel free to contact me (Ms Hsiao) with any questions any time.

Have a great summer! Do not be a stranger---that means you can contact me any time. Even though you might not be in my class anymore, you will always be one of my students. Stay safe and whatever you do--make good decisions!
